

COP23

GENDERCC EVENTS

INSIDE THE BONN ZONE

14/11, 11:30-13:00
CONTRIBUTION OF LOCAL CLIMATE JUSTICE STRUGGLES TO A GENDER-JUST IMPLEMENTATION OF THE UNFCCC

MEETING ROOM 4

Female activists present local perspectives on smart agriculture and climate finance instruments. These will be linked to current negotiations on loss and damage. It will be discussed how local equitable, gender-just, low-carbon solutions can be better supported by international climate politics and how to ensure that false solutions are not repeated

16/11, 17.15-18
GENDER INNOVATIONS: STRATEGIES TO ADDRESS "GENDER" IN CLIMATE CHANGE POLICIES IN GERMANY

GERMAN PAVILION

There is a long way to go to address gender issues in climate policy in the Global North. Countries in the Global North often perceives gender to be relevant for the Global South only. We will present preliminary results of a current research project commissioned by the German Environment Agency.

2/11 - 4/11

CONFERENCE OF THE YOUTH (COY13) WORKSHOPS

3/11 09:00-10:30, room: Aula

Young Feminists for climate justice storytelling

3/11 15:15-16:45, room: C101

What's gender got to do with it? A feminist perspective on climate change

7/11, 14:00-19:00

PEOPLE'S CLIMATE SUMMIT: WOMEN FOR CLIMATE JUSTICE WORKSHOP-BUILDING STRATEGIES

WISSENSCHAFTSZENTRUM, room K1

A space to bring together women from different countries to share perspectives on false solutions and concrete actions to fight climate change and to organize strategies of action, advocacy and collaboration in order to have an impact at local, national and international level.

15/11, 14:00-16:00

"GENDER INTO URBAN CLIMATE CHANGE INITIATIVE" AT THE COP23

BMUB ROBERT-SCHUMAN PLATZ 3 Room 1.196

This event presents GenderCC's new methodology "Gender Assessment and Monitoring of Mitigation and Adaptation" that was developed in the course of our project Gender Into Urban Climate Change Initiative.
