13:00 - 14:30, Room Halfdan Rasmussen Women as agents of change Discussion on the question women's role as agents of change. They are equal stakeholders in terms of policy planning, decision-making and implementation. To enable them to be equal actors, it is important that women have access to the relevant information, technology and training. Organiser: Iceland Contact: Ms. Helga Hauksdottir			
Th 17.12.			
10:00 - 11:00 room: tba Daily Caucus Women & Gender Constituency			
13:00 - 14:30, Room Liva Weel Investing in Women's Leadership for Climate Solutions Climate change finance mechanisms are gender-blind, despite evidence of the community and environmental benefits associated with women's access to finance. GGCA, Denmark, Finland, and other cosponsors feature high-level speakers and launch new research and initiatives on gender and climate finance. Organisation: UNDP / GGCA Contact: Hannie Meesters	17.12.09; 13:00-15:00, Forsamlingshuset I Gender, vulnerability and climate change responses: Presentation of a theoretical framework on how to integrate the genderperspective in adaptation In many cases climate change means natural disasters. As a consequence, governments do not only need to find ways to mitigate climate change, but also to provide socially responsible solutions to adapt to the upcoming problems. Support - financial as well as technological - has to be given especially to the most vulnerable sectors of societies, which suffer most from the impacts of climate change. Speakers: Rebecca Salazar, Sandra Gúzman, Ingrid Spiller Organisation: Heinrich Böll Foundation, Regional office for Central America/Mexico/Cuba	17:00 - 19:00 Gender, Climate & economy	
	10:00-12:00, Forsamlingshuset I "Don't nuke the climate" Organisation: WISE, in cooperation with WECF – Women in Europe for a Common Future, Sortir du Nucleaire and others		
	16:00-18:00, Sportshuset "Sustainable energy, why nuclear energy is not an alternative" Organisation: WISE in cooperation with WECF – Women in Europe for a Common Future, Sortir du nucleaire and others		
Fr 18.12.
